

Kypros Nicholas

**Business Information:** Located in London, England, Nicholas & Company is a reputable law firm that specialises in commercial real estate and litigation for an international clientele. Delivering legal services of the highest professional integrity since 1969, the Firm guides clients through complicated legal processes by concentrating on their specific case matters to foster desirable solutions. The company retains 6 Partners, 4 Consultants and 5 Associate Solicitors who are committed to serving clients interests while maintaining strict adherence to industry and office regulations, building Nicholas & Company's reputation for fair and ethical legal practices.

Mr Kypros Nicholas works as consultant to govern the provision of legal services while focusing on legal matters related to commercial activities, Charity landlord and tenant and offshore business. Serving clients from Greece, Cyprus and Nigeria, he strives to ensure the successful and expeditious culmination of presented cases by applying a thorough knowledge of applicable laws and precedents. In administrative role, he handles internal and external communications and uses advanced problem solving techniques to maintain an efficient office setting. Mr Nicholas looks forward to reducing his role in daily operations, as he plans for his children to assume greater roles within Nicholas & Company.
