

Dear Delegate,

The EVF 2024 is fast approaching, and we look forward to seeing you soon.

To ensure you can enjoy the event to its fullest, we are pleased to provide you with the **EVF 2024** app. Here are some ways the app will help you navigate through the event:

Full programme: View the scientific programme and saved your preferred presentations. You can search by session or title.

ePoster presentations: will be available to view on the Conference App. You can search by session or title. Note there are no physical ePosters in Athens.

Faculty: See our Invited Faculty, by clicking on their name. You will see their presentations with titles, dates and times.

Floor Plan and Exhibitors: check out the Exhibitors who are joining us in the Exhibition Halls. Plan your visit to view them all.

Notifications: reminders will be sent to join us at the various sessions and other important reminders. Check the App for further details.

Please download the Conference App to see the full programme, abstracts, ePosters and much more.

This mobile application is compatible with Apple and Android devices. Download from your app store: EVF2024.

Electronic Programme/Book of Abstracts

There is no printed Book of Abstracts/Printed Programme. All the details can be found in the conference app and in the electronic Book of Abstracts. Please [check here](#) to view.
